This CAEN SwFw Licence defines the legal use of the CAEN SwFw, all updates, revisions, substitutions, and any copies of the CAEN SwFw made by or for you. All rights not expressly granted to you are reserved to C.A.E.N. or to their respective owners.

7. You may not claim any sponsorship by, endorsement by, or affiliation with our company.
8. You acknowledge that C.A.E.N. owns the copyright and all associated intellectual property rights relating to the CAEN SwFw except to the extent that the CAEN SwFw includes identifiable separate components originating from the CAEN SwFw.

A(i) YOU MAY install and personally use the CAEN SwFw and any updates provided by C.A.E.N. (in its sole discretion) in an object code form on a personal computer or on board on CAEN Products owned or controlled by you and may use the CAEN SwFw for your own non commercial use or benefit. Your licence to the CAEN SwFw under this CAEN SwFw Licence continues until it is terminated by either party. You may terminate the CAEN SwFw Licence by discontinuing use of all or any of the CAEN SwFw and by destroying all your copies of the applicable CAEN SwFw. This CAEN SwFw Licence terminates automatically if you violate any term of this CAEN SwFw Licence, if C.A.E.N. publicly posts a written notice of termination on C.A.E.N.'s web site, or if C.A.E.N. sends a written notice of termination to you.

A (ii) You may make a copy of CAEN SwFw only if it is necessary for its use.

### b. YOU MAY NOT:

(i) decompile, reverse engineer, disassemble, modify the CAEN SwFw or any portion thereof in order to resell, rent, lease, loan, distribute or create derivative works (as defined by the Italian Copyright Act, l.22 April 1941, n.633 and following amendments) or improvements (as defined by Italian patent law), without C.A.E.N.'s prior, express, written permission.

(ii) incorporate the CAEN FW (firmware) into any electronic device manufactured by or for you except into those you have received from C.A.E.N.

(iii) use the CAEN SwFw in any unlawful manner, for any unlawful purpose.

(iv) you may not use the CAEN SwFw to operate nuclear facilities, life support, or other critical application where human life or property may be at stake. You understand that the CAEN SwFw is not designed for such purposes and that its failure in such cases could lead to death, personal injury, or severe property or environmental damage for which C.A.E.N. is not responsible.

(v) use or export the CAEN SwFw in violation of applicable Italian laws or regulations or applicable laws and regulations applicable into the countries in which the CAEN SwFw is used.

(vi) sell, lease, loan, distribute, transfer, or sub-license the CAEN SwFw or access thereto or derive income from the use or provision of the CAEN SwFw, whether for direct commercial or monetary gain or otherwise, without C.A.E.N.'s prior, express, written permission.

c. As established by the Berna Convention concerning the Protection of Works of Art and Literature ratified in Italy by Law 20 June 1978, n. 399, the provisions of this agreement cannot be misinterpreted in allowing their application as a jeopardizing event for the right's owner or in conflict with the ordinary use of the CAEN SwFw.

### 2. Copyrights and Transfer of the CAEN SwFw.

1) The Licensee may reproduce the CAEN SwFw, if such reproduction is necessary for the use of the CAEN SwFw. Necessary reproductions include the installation of the CAEN SwFw from the original system disk or from the downloaded installation archive on the mass memory of the hardware, as well as the loading of the CAEN SwFw into the main memory during CAEN SwFw operation.

2) Moreover, the Licensee may reproduce the CAEN SwFw for backup purposes. However, only one backup copy of the original system disk or the downloaded installation archive may be created and/or stored. Said copy must be marked as a backup.

3) Should a rotational backup of a system's entire data set, including the CAEN SwFw programmes, be essential for a fast reactivation of the system following a complete breakdown, Licensee may create backup copies in the quantities absolutely required. The pertinent system disks shall be marked accordingly. These backup copies may be used for archive purposes in connection with data backup only.

4) Licensee shall take the necessary steps to prohibit unauthorized access to the CAEN SwFw and its documentation by third parties. Affiliated companies of the Licensee are also regarded as being third parties. The original data media, as well as all backup copies, shall be stored in a secure place, safe from access by unauthorized third parties. The Licensee's employees shall be expressly informed as to their obligations to observe and abide by all contractual conditions specified herein, as well as all provisions of copyright law.

5) The Licensee is not authorised,

a. with the exception of the reproductions expressly authorised in this agreement, to create other reproductions of the CAEN SwFw or the documentation, either wholly or in part, on the same or on other disks/carrier media; this also includes the output of the programme code to a printer;

b. to transfer the CAEN SwFw from one computer or modules to another computer or modules or recording device via a network or other data transfer channel, insofar as the receiving device is not a computer or other recording device of the Licensee which is referred to in, and understood to be within, the framework of this Agreement;

c. without the written express permission of the Licensor, to change, translate, redevelop, decompile or disassemble the CAEN SwFw, or to create works derived from the CAEN SwFw or documentation, or to reproduce, translate, change or create works derived from the documentation, insofar as this is not absolutely necessary within the context of contractual use;

d. to remove copyright endorsements, serial numbers or other features which serve to identify the programme, unless the Licensor has provided written authorisation;

e. to transfer the CAEN SwFw to third parties or to provide access to the CAEN SwFw in any other form. This also applies to reproduction of the CAEN SwFw. Affiliated companies of the Licensee shall also be regarded in principle as third parties; transferring the CAEN SwFw within the group of companies for exclusive use at the new site shall be authorised in writing by the Licensor; such authorisation may only be denied for a major reason. In this case, adherence to the use, any other agreements made in this contract and any possible secondary agreements shall be ensured. When such transfer has occurred, the Licensee must fully delete the CAEN SwFw and any backup copies still at the previous site of use within the group of companies without delay;

f. to transfer the CAEN SwFw, the documentation or parts thereof to third parties for the purposes of renting or leasing.

### 3. Ownership and Relationship of Parties.

The CAEN SwFw is protected by copyrights, trademarks, service marks, international treaties, and/or other proprietary rights and laws of Italy, the U.S. and other countries. You agree to abide by all applicable proprietary rights laws and other laws. C.A.E.N. owns all rights, title, and interest in and to their applicable contributions to the CAEN SwFw. This CAEN SwFw Licence grants you no right, title, or interest in any intellectual property owned or licensed by C.A.E.N., including (but not limited to) the CAEN SwFw

and the C.A.E.N. trademarks, and creates no relationship between you and C.A.E.N. other than that of C.A.E.N. to licensee.

You agree that you will use the CAEN SwFw, and any data accessed through the CAEN SwFw, for your own personal non-commercial use only. You agree not to assign, copy, transfer, or transmit CAEN SwFw. Your licence to use the CAEN SwFw will terminate if you violate these restrictions. If your licence terminates, you agree to cease any and all use of the CAEN SwFw. All rights in any third-party data, any third-party CAEN SwFw, and any third-party data servers, including all ownership rights are reserved and remain with the respective third parties. You agree that these third parties may enforce their rights under this Agreement against you directly in their own name.

#### **4. Support and CAEN SwFw Updates.**

C.A.E.N. will from time to time make CAEN SwFw updates available. However, C.A.E.N. accepts no obligation to provide any support to licence holders.
